Dr. Dawson developed the Cooperative Extension Program and employed an Extension staff in 1971. He was recommended by the President of Alabama A & M University and approved by the Secretary of the U. S. Department of Agriculture to serve as Administrator of the Cooperative Extension Program at Alabama A & M University.

Dr. Dawson and fifteen other Extension Administrators at the historically Black land grant institutions were successful in their effort to get a fifty million dollar Extension facility bill passed in Congress for Cooperative Extension buildings and facilities at these institutions.

Mr. Fred Clark, Jr., son of Mr. and Mrs. Fred Clark, Sr., of Elba, Alabama was instrumental in helping to get the legislation passed while serving as Senior Agriculture Aide to Senator Howell Heflin.

The "James I. Dawson Cooperative Extension Building" is a 41,149 square foot, three story, state-of-the-art facility with offices, agriculture and home economics labs, a darkroom, a printing shop, conference rooms, and a 300-seat capacity auditorium for workshops, conferences, etc. The third floor of the building houses the Cooperative State Research Program.

The first and second floors of the building accommodate the Associate Dean for Extension, specialists, supervisors, support staff and others who provide support service to county Extension agents, secretaries, program assistants in the twelve (12) county area of the University's

Cooperative Extension Program.

The Cooperative Extension Program at Alabama A & M University is a part of the Cooperative Extension System in Alabama, with the other two parts of the system being the Alabama Cooperative Extension Service at Auburn University and the Cooperative Extension Program at Tuskegee University.

Multi-million dollar building dedicated in honor of former teacher of Elba city school system

A multi-million dollar Cooperative Extension building was named the "James I. Dawson Cooperative Extension Building" during a recent dedication program.

The building was named in honor of Dr. James I. Dawson, former teacher of Vocational Agriculture at Mulberry Heights High School, Elba, Alabama. Dr. Dawson has served as Associate Dean for Extension in the School of Agriculture and Home Economics since 1971, after chairing the Department of Agricultural Education for three years.

Dr. Dawson developed the Cooperative Extension Program and employed an Extension staff in 1971. He was recommended by the President of Alabama A & M University and approved by the Secretary of the U. S. Department of Agriculture to serve as Administrator of the Cooperative Extension Program at Alabama A & M University.

Coffee County Commission seeks AG's opinion concerning landfill

by Marvin McIlwain Editor

In Monday's Coffee County Commission meeting, the commissioners voted unanimously to obtain an Attorney General's opinion in regard to the proposed landfill.

Commissioner Bernest Brooks made the motion that the AG's opinion be sought in reference to the following question:

"If Coffee County is permitted to a regional landfill including ten (10) additional counties and the majority of the citizens of Coffee County, want a single-county landfill, will any one of the named counties listed in the permit be ordered, at a later date, by the courts, to dump in the Coffee County landfill."

Brooks stated that ADEM (Alabama Department of Environmental Management) officials satisfactorily answered every question asked of them in last Monday's meeting except the one above.

Commissioner Sid Averett reminded the commissioners that Sue Robertson, an ADEM official, stated

several times in the meeting Monday that the county would have absolute control over the landfill.

"We will (the commission) be in total control of the landfill and will never have to take anyone we do not want to take," said Averett.

Marion Sanders, a resident of the Rector Community, was recognized by the commission.

Recently, Mr. Sanders presented a National Special Service Award at the National Association of Conservation Districts (NACD) at their annual meeting in Reno, Nevada.

The award was presented to Sanders for his foresightfulness as a conservation pioneer and for his 32 years of service on the state and national levels.

Turning to other matters, Commission Chairman Robert Stephens read a letter Attorney Warren Rowe, the county's attorney.

Rowe stated in the letter that he no longer wished to serve Coffee County as its attorney. He further stated that he would continue to serve as county attorney until another attorney could be retained.

The commissioners approved the sending out of letters to all the practicing attorneys in Coffee County asking if any one of them wanted the job.

Commissioners approved the appointment of Elba Mayor Ricky Haywood and Enterprise Mayor Johnny Henderson to the Southeast Alabama Regional Planning and Development Board.

Other business attended to by the commission was as follows:

***Awarded the bid for lime and fertilizer to be used by the highway department on county right-of-ways to Coffee County Farmers' Co-op in

Elba. Their bid was \$172.47 per ton on the fertilizer and \$22.50 for the lime.

***Timberland Enterprises of Auburn and The Farm Store in New Brockton were awarded the contract to furnish herbicides to the county highway department.

***Approved the sending out of bids for computer equipment (budgeted items) for the county's data processing department.

***Approved employee payroll deductions for Woodman of the World Insurance premiums.

***County employees will get Christmas Eve (Dec. 24) off as a holiday.

***Commissioners gave their approval for the purchase of a car previously used by mapping and appraisal employees. The car will be assigned to the Adult Daycare Center in Elba. The Coffee County Health Department will maintain the vehicle and provide insurance on the same.

BRAINSTORMS

With Ferrin Cox

Several weeks ago we were sitting in church and noticed the bulletin was promoting the fact the church building would be open on Wednesday to members for their prayer needs. We should have been listening to the preacher, but instead scribbled a note to one of our sons sitting next to me. It just so happened that that Wednesday was the day after the national elections... we wondered if the preacher knew something about the outcome of the Tuesday's voting ahead of the rest of us. Maybe he did and was opening the church to prayers for that reason! Actually, the church is open every Wednesday but we thought it was awful funny at that moment.

The Elba Tigers are on a roll again. The football team has made it to round three of the state play-offs. The fans are confident of the team's abilities to go further but will not be critical if they end their season Friday night. This group of young men has overcome a lot of problems to get this far. We will see you Friday night in Miller Memorial Stadium!

President-elect Bill Clinton has the best of both worlds right now. He has won the election, but doesn't have to make any world shaking decisions... at least not decisions the world has to know about. After he has been in office for three or four months that honeymoon with the Indians and the back of the stump and second guessing his every decision, or lack of particular decision.

There was a community-wide Thanksgiving service in Elba Sunday night. The event was held in the auditorium of the new Elba High School and was attended by black and white citizens alike. We tried to compare this service to that first Thanksgiving Service the Pilgrims and the Indians staged during the early days of our country, but the food was missing. We would still classify the service as a success, but there was room for more area citizens to attend and still have a place to sit.

We are getting ready for our Thanksgiving turkey. Yet Christmas decorations are up everywhere and many retail businesses across the U.S. consider we are in the middle of their Christmas gift selling season. The older we get the faster the clock runs... it seems we just got finished paying for last Christmas!

The bad storms that hit from Texas to Alabama during the past weekend spared this area. We feel for all people who suffered damages during the weekend and say a special prayer for those who lost loved ones in these storms.

Vaughan was asked by Haywood to tell the group exactly what should be included in the minutes.

The 1985 ordinance on personnel rules is valid - yes, said Vaughan. He added the rules are deficient as to who is in charge of employees but were adopted legally.

The meeting ended with Council member Ronnie Jirright asking three questions.

He wanted to know if the street superintendent was being evaluated and Haywood responded, "not yet."

Jirright also asked if a cash flow report could be provided to the council at the first of each month. Haywood said he had discussed this with the bookkeeper and they were already planning to furnish this financial report.

Vaughan noted that debates and general discussions are not required to be placed in the minutes unless a council member requests his or her remarks, or a particular debate, be printed. He did strongly recommend that tape recordings of the minutes be preserved for future reference if needed.

The mayor then asked City Attorney Vaughan to respond to several questions which had been placed before the council in a recent letter from the mayor's office.

Vaughan said he had indeed researched each point in the letter and was prepared to give the council answers.

He said that Ordinance 1992-3 might be attacked and challenged but would probably stand.

This is the ordinance passed September 24th allowing the restoring of longevity to rehired employees.

The attorney said, "a good job of taking minutes and recording the unanimous vote would cure the one defect in the action."

The September 30th action to put a temporary freeze on hiring and firing of employees was binding on former Mayor Fred Moore. The order was set to expire on October 5th when the new administration took office.

Vaughan said in passing that he was pleased to say that two matters dealing with personnel matters with an employee are resolved on a friendly basis. He did not say any more about this matter.

The attorney said, "a good job of taking minutes and recording the unanimous vote would cure the one defect in the action."

The September 30th action to put a temporary freeze on hiring and firing of employees was binding on former Mayor Fred Moore. The order was set to expire on October 5th when the new administration took office.

Vaughan said in passing that he was pleased to say that two matters dealing with personnel matters with an employee are resolved on a friendly basis. He did not say any more about this matter.

Jirright also asked if a cash flow report could be provided to the council at the first of each month. Haywood said he had discussed this with the bookkeeper and they were already planning to furnish this financial report.

Vaughan noted that debates and general discussions are not required to be placed in the minutes unless a council member requests his or her remarks, or a particular debate, be printed. He did strongly recommend that tape recordings of the minutes be preserved for future reference if needed.

The mayor then asked City Attorney Vaughan to respond to several questions which had been placed before the council in a recent letter from the mayor's office.

to the bride's shoulders. The groom wore a tuxedo with a full bow tie and a white shirt with a full bow tie. The wedding cake and groom's cake were catered by Rachel Byrd of Elba. Floral arrangements and other decorations for the wedding and reception were provided by Millicent Gordon of Tuscaloosa, and Bradley's Florist of Elba. Mrs. Ruby Ellison of Elba served her niece as wedding consultant, and Mrs. Beverly Daniels-Battle of Atlanta, Georgia, served her cousin as receptionist at the wedding and as directress of the reception. Following a wedding trip, the couple lives in Northport, AL.

was Rita Parrott of Tuscaloosa, Mississippi, who is fitting for sound doctrine. Older men are to be temperate, dignified, sensible, sound in faith, in love, in perseverance. Older women likewise are to be reverent in their behavior, not malicious gossip, nor enslaved to much wine, teaching what is good.

That they may encourage the young women to love their husbands, to love their children, To be sensible, pure, workers at home, kind, being subject to their own husbands, that the word of God may not be dishonored. Likewise urge the young men to be sensible, In all things show yourself to be an example of good deeds, with purity in doctrine, dignified, Sound speech, which is beyond reproach, in order that the opponent may be put to shame, having nothing bad to say about us. Titus 2:1-8

Thinking of you, praying for you, The Tyson English and Lindsey families, the Hooks family, Mrs. Mary Magwood, Mrs. Ruby Magwood, Mrs. Hannah Coleman, Mrs. Louise Rogers, Mrs. Lovie Hooks, Mrs. Priscilla Kelly, Mrs. Annie Pearl Siler, and Mr. W. H. Caldwell.

A Special Thank You
I would like to personally thank everyone for the many floral arrangements, food, cards, visits, and personal concern during Pete's illness and death.

A special thanks to Dr. Dyess for his untiring efforts and personal care of Pete, and the staff of Elba General Hospital for their attentiveness to his physical needs and comfort.

Your acts of kindness continue to be a great comfort and support to me in these difficult times.

May God Bless You.

Each spring several junior apply and get, and the Elba yearbook. This year the ingenious journalism class has added yet another product to their publication list. Each month the class will put out an in-school newspaper named "Tiger Tales." This newspaper will not replace the weekly Tiger Tales page but will be sold at school to the students. Instead of vital news it will deal more with the day to day life of students at EHS. We are attempting to make this paper as humorous and entertaining as possible. So, if you have something to "giggle about" let the staff know and we will gladly check into it. This paper will represent many diverse organizations and students at EHS. We hope you will buy a paper and see which students have made "news."

I Care Assembly

by Heather Stinson
On Monday, November 16, the students of Elba High School had the opportunity to attend a school-wide assembly. The assembly was held in the gym and was sponsored by the "I Care Hotline Corporation." The speaker at the program explained the Hotline and the functions it serves. He explained that many young people today had no one to turn to when problems occurred. The "I Care Hotline" program solves this problem by providing trained counselors with whom students may talk. He also presented a skit which described the danger of drinking and driving. Participants in the skit were Amy Baker, Heather Stinson, Lakin Hammonds, Jamie Brockton, and Lance McCollough.

Mu Alpha Theta Officers Meet

by Laura Hall
On October 20, 1992 Mrs. Sue Adkins, sponsor of Mu Alpha Theta met with the officers. Amy Baker, president; Kevin Ryan, vice president; Joe Jacobs, secretary; and Laura Hall, historian, discussed the upcoming club programs. They discussed possible guest speakers, fundraisers, floats for different parades, and a Christmas party in December. They also discussed a possible field trip to Lurleen B. Wallace State College for the seniors.

PALS Adventure

by Annette Brooks

On November 14, the Elba High PALS class, along with Mrs. Dyess and Mrs. Boyd, attended a Big Buddy Buddie retreat at Camp Chandler in Montgomery, AL. The day was filled with fun and excitement. There were many different activities such as: boat riding, canoeing, candle making, hiking, hiking and arrow shooting, and arts and crafts. By the end of the day everyone was exhausted and ready to return to Elba. The main purpose of this trip was to give the Big Buddy and Little Buddy the opportunity to get to know one another better. The PALS members are students from Elba High School and Elba Elementary School. Those attending the retreat were: Lakin Hammonds, Jamie Brockton, Stephanie Daniels, Carolee Ware, Annette Brooks, Jasper Caldwell, Fabrika Tillis, Quinton Moultrie, Amanda Calhoun, Deanna Olson, Holly Stinson, Adrian Horstead, Bryce Phillips, Matthew Sewell, Lori Smith, Arica Caldwell, Jamie Brockton, Jason Mitchell, Marsha Lewis, Kim Bess, Lamont Head, and Danny McDonald.

Future Homemakers Of America Meet

by Felicity Littlefield

The November meeting of the Future Homemakers of America (FHA) was held at order by President Kacia Griffin who led the club in the reciting of the FHA creed. After the creed was read the club was then allowed to have refreshments. During the refreshment period each member was asked to say what they were thankful for in special recognition of the Thanksgiving Holidays.

After refreshments, Bridget Greenwood, secretary, called the roll and read the minutes of the October meeting. Following the reading of the minutes, new business was discussed. The FHA officers will be making fruit baskets to deliver to the Elba Nursing Home. They will also be adopting a needy family and delivering canned goods for them for Christmas. Among other things discussed was the purchasing of FHA club t-shirts and a Christmas party that will be held December 11 from 5:30 - 5:30 in the Home Economics Department.

As a fundraiser the FHA will be selling two plans for \$2. The sale will take place between Thanksgiving and Christmas.

Spanish Club Meets

by Arleen Prigden
The Spanish Club held its monthly meeting on November 17, 1992. The meeting was called to order by President Tasha Woods. In the meeting, among those things discussed was a fundraiser. The club decided to sell different candy from Fort Rucker. Things were also discussed for the next meeting. Each member in the club is supposed to bring one canned good or one boxed good for a needy family. Stacy Brooks was selected as chairperson for the committee and will be in charge of taking the food to the family.

Girls' Rebel Basketball Team Organized

by Nicki Pilcher

Recently, a girls' basketball team took the court in an official sanctioned game for the first time since the early 70s. The Lady Rebels are coached by Mr. Doug Branson and Mrs. Lori McCrory.

The team was organized by holding tryouts for three days. The selection of the players was made by the coaches according to their performance during tryouts. The players are Cassie Moran, Courtney Moran, Darla Moran, Kemberly Moran, Nicki Pilcher, Lisa Hodge, Kim Killingsworth, Cindy Langley, Wendy Rugg, Nicole Stokes, Becki Thomas, Amanda Wise, Stephanie Tidwell, and Sabrina Stewart.

The team has been practicing for two weeks and with an early game, the Lady Rebels played host to the Opp Bobcats who took home a 58-5 victory.

The first quarter opened after Mr. John McCrory introduced the starters for the Opp Bobcats and the Zion Chapel Rebels. The Rebels showed good defense but could not manage to get in a good shot as the Opp Bobcats lead the first quarter 19-0.

The second quarter was still hard for the Rebels, but due to a foul, Cassie Moran raised the Rebel score by adding 1 point. The Bobcats scored 12 more points increasing their lead to 31-1 at the end of the first half.

Third quarter opened and the Rebel offense looked better. Cassie and Kim Moran each added 2 points to the Rebel score. The Bobcats did not give up but

FBLA Chapter Holds Initiation Ceremony

by Dawn Nelson

Members of the Zion Chapel Chapter of the Future Business Leaders of America (FBLA) recently held their monthly meeting for November. The meeting was

held with the officers' initiation ceremony. Each officer was called forward and was told his or her responsibilities. After they accepted their responsibilities,

Tracey Jernigan and Sandy Jacobs add the last piece of the FBLA emblem during the emblem ceremony.

FFA Holds Monthly Meeting

by Tracey Jernigan

Members of the Zion Chapel Chapter of FFA recently held their monthly meeting.

The meeting was called to order by President Leo Jacobs. Leo asked Vice-President Nicki Pilcher if all officers were present at their station. Secretary Kacia Griffin then called the roll and read the minutes of the last meeting. The first order of business discussed was the fruit sales. The Big Buck contest, turkey shoot, FFA contest, and the Christmas party. Kacia Griffin talked about the FFA Alumni reception that would be held before the Rebel's Homecoming game.

Several committees met to discuss future plans for the club. The Earnings, Savings, and Investments Committee, under Chairman Tracey Jernigan, and the Scholarship Committee, under Chairman Sonya Simmons, decided on a set amount of \$200 toward a scholarship student. They will be planning to further their education in an agricultural field. The Contest Committee, under Chairman Darla Moran, decided to invite Mr. John Moran to come and speak to the club about the Big Buck contest and about his work at Collins' Taxidermy. After all the old and new business was conducted, President Leo Jacobs adjourned the meeting.

SGA Discusses Finances

by Kacia Griffin

Once again the Student Government Association (SGA) met for their monthly meeting in the library. After a long week of Homecoming they discussed the amount of money they had made on the Candy Jar and the Pie in the Face contest. They then discussed other fundraisers that they wanted to conduct in the future. The officers and members want to host an SGA vs. Faculty basketball game. They will sell pizzas and cokes in the concession stand and paint ZC on faces for 50 cents. They want to sell

stick candy and for Valentine's Day, the SGA wants to sell suckers and carnations. As a major fundraiser, the Third Annual SGA Beauty Pageant will be held in May.

Last on the agenda, the officers discussed starting a SGA in the elementary school. If an elementary SGA is started the high school SGA would like for its officers to meet with them to exchange ideas and discuss incidents in which the high school could help the elementary.

Zion Chapel High School Athletic Banquet

by Chris Green

Zion Chapel High School held its annual Athletic Banquet at the Vineyard in Arton. The banquet was held in honor of the Junior Varsity and Varsity football teams, the cheerleaders, coaches, the Athletic Club, and everyone else who helped make this year's season possible. The meal consisted of a roast beef dinner which was followed by home-made dessert.

The guest speaker for the evening was Coach Jimmy Perry, offensive coordinator from Robert E. Lee High School, defending 6-A champions. He spoke on the importance of a good athletic program and commended Zion Chapel for their hard work and dedication. He was presented a plaque for giving the Rebels "words of encouragement."

The Junior Varsity football team and cheerleaders were presented plaques in appreciation for all they have done this season.

The Varsity team was honored with plaques in recognition of all of their hard work. The Varsity cheerleaders were given flowers and plaques for being spirit boosters for the Rebels. Sponsor Michele McInnis was given a picture from with love from the cheerleaders.

The Varsity coaches were presented plaques by the senior football players. Coaches for the season were David Collins, Doug Branson, John McCrory, and Johnny Garrett.

Pat Cape and Lori McCrory were given gifts for their efforts in feeding the team pre-game meals. Mrs. Michele Moultrie and the Zion Chapel Marching Band were presented a plaque of appreciation for all their support throughout the season. Mrs. Moultrie and Drum Major Stephanie Brooks attended in representation of the band. Principal Robert Black, Mrs. McInnis, and trainer Jim Marshall were also

given plaques of appreciation for their dedication and support by the coaching staff and football team.

The senior players were Randy Jackson, Toby Wambles and Michael Parker. They were presented with special plaques and their home jersey from the coaches.

Special awards given were Most Valuable Player - Chris Hodge, Permanent Team Captain - Chris Hodge and Toby Wambles, Most Improved Player - David Nunn, Most Dedicated Player - Toby Wambles, Most Valuable Offensive

Back - Roy Stewart, Most Valuable Offensive Lineman - David Flowers, Most Valuable Defensive Back - Chris Hodge, and Most Valuable Defensive Lineman - Bruce Cole.

Also attending the banquet were Mr. Clayton Bryant, Superintendent and Charles Walker and Eric Wilson, School Board members. Mr. Rodger Bowden was also a special guest at the banquet. Sincere appreciation was extended to the parents and friends of the football program who attended the banquet for their support of the Rebels.

Pictured above are (l-r): Front Row - Michael Parker, Chris Hodge, Toby Wambles & David Nunn; Back Row - Roy Stewart, Bruce Cole, David Flowers & Randy Jackson.

Beta Club Discusses Plans & Projects

by Christie Eddins

The Zion Chapel Chapter of Beta Club met Tuesday, October 17, to discuss plans and projects for the rest of the school year.

The meeting was called to order by President Dawn Nelson. Dawn introduced the new officers for the 1992-93 school year. In addition to the president the officers are Vice President Sandy Jacobs, Secretary Laura Brown, Treasurer Tracey Jernigan, and Historian Tashawn Neal.

After the introduction of new officers, the question of new business was raised. Mrs. Karen Bowden, one of the Beta Club sponsors, asked the members if they would like to order new t-shirts for the year. She asked what kind of shirt the members wanted - t-shirts, jerseys, or sweatshirts. The members voted for white jerseys with the letter for BETA in gold on the front.

Mr. Robert Black, principal, then addressed the members. He asked them to

join the ZAP program to help students after school in subject areas that are giving individuals problems. Every member wrote their name and the time that they would be available on a list and returned it to Mr. Black.

The next order of business was finding a needy family to help for Christmas. A committee was formed to find a family as soon as possible so that further

plans could be made. The old business for the club was the items currently being sold by the club members. The items are M & M's, calendars, dishtowels, and Christmas ornaments. The members hoped to sell all of the items before the Thanksgiving holidays.

With no other business, the meeting was adjourned until a future date.

Melissa and Melanie are both sweet little girls, until they get together, and then it's a whole different story as Melanie wants to do everything Melissa is doing, and Melissa enjoys letting her little sister know just who is the boss. This week they are both involved in lighting the tree at church, and I just hope that Mrs. Holt let Melanie know what she is supposed to do, and then let Melissa know her job. I'm sure they'll do fine, but the thought of them up there together is a little scary!

ELBA TIGERS SURVIVE PLAYOFF TRIP TO MOBILE

The talk all week around Elba was whether or not the Elba Tigers could overcome countless injuries, problems and distractions long enough to find a way to defeat St. Paul's in the second round of the 3A football playoffs.

Quarterback Keith Grantham had a broken hand and wore early on the way that was out for the season. After a trip to Birmingham he was listed as doubtful, then after practicing was listed as probable. Tailback Greg Thigpen rushed for 1,200 yards during the first ten games, but he missed practice with a sprained ankle. He wasn't supposed to be hurt all that bad and was just resting his ankle during the week. Tackle Bo Boyd had missed almost two weeks representing Alabama at a national 4-H competition and got back only the day before the game. Defensive back Tony Hooks missed practice all week to stay with his critically ill mother, and when she passed away Thursday it was clear that he wouldn't be at the game. Add to all of that, there were tornado watches out for Mobile Friday and Friday night and heavy rain was forecasted.

Well, Keith Grantham came in after one series and led the offense the rest of the game. Greg Thigpen was hurt worse than feared and played only one play. Bo Boyd came in the game in the first half and helped solidify the defense. Tony Hooks played well on his helmet and helped solidify the defense. The Elba defense got pushed all the way to the end zone, but the offense made a key interception in the fourth quarter. And, the rain held off until the game was over. I guess the Tigers survived!

The Elba coaches had told me all week that St. Paul's was much better than everyone thought and wondered out loud if the short-handed Tigers could rise to the challenge and win on the road. Their fears were well-founded, because St. Paul's had an excellent football team and it took a tremendous effort from all the Elba players to pull out the win, despite the odds. It was the "ultimate gutcheck." Friday night for a bunch of teenage football players and they made everyone from Elba proud!

The Elba offense was one-handed because of Grantham's injury and St. Paul's defense knew it, and loaded up at the line of scrimmage, putting all eleven players within five yards of the line of scrimmage. The defensive players outnumbered the offensive blockers, yet the blockers somehow managed to get the job done and opened enough holes for the backs to rush for over 150 yards. Teddy Burks and Jamie Brockton put in some long hours as they took punishment at running back and then delivered punishment on defense, and both looked like tired, but gallant warriors after the game. Josh Caldwell, like many others, also pulled double-duty, and made a big interception late in the first half and paid the price when he got hit late on the sidelines. His arm was wrapped in the second half and he was in obvious pain, but he never let up and in the end made the big catch and run for the winning score. The list of heroes could go on and on...

The Tiger defense got pushed all over the field in the first quarter and was shocked when St. Paul's went ahead 10-0. Defensive tackle Bryce Phillips was yelling from the sidelines at the St. Paul's players after the second score that "You ain't going to get anymore," and his prediction came true as the defense regrouped and never let St. Paul's back within their 35-yard line the rest of the game. Teddy Burks and Jamie Brockton had big games on defense, as did Aaron Smith, Tony Hooks and the entire secondary. O'Neal Davis saw only limited play, but came in for Bryce Phillips on St. Paul's final play and it was his heavy rush that made the quarterback pass earlier than he wanted, and the result was an interception. The defense was stunned and embarrassed after the early St. Paul's scores, but never quit and fought until the final horn.

The Tigers were a tired and battered team after the game, but a team that was beaming with pride after coming back a long way from home and beating the odds. It will be interesting this week to see how banged up the players are and if these young men can rise to the challenge once again and find a way to win yet another game. After last week, how can you doubt them?

PREP PLAYOFFS REACH QUARTERFINAL ROUND

The AHSAA football playoffs are now in the third round and that means that only eight teams are still alive in each class. Teams that make it to the

third round are thought of to be real contenders, and that certainly seems to be the case this year. Here's a quick look at what is left...

CLASS 6A - Robert E. Lee had to overcome an 18-7 fourth quarter deficit to down Opelika, and now doesn't seem so invincible after all. Vigor got everyone's attention with its 31-7 romp past Dothan, and now will travel to Enterprise, which whipped Shaw 21-7.

CLASS 5A - Charles Henderson fans were convinced their Trojans were title bound after an opening round win, but found the going a bit too tough as Blount dismantled the Trojans 42-13. Henderson had a very good game by the end of the season, it was just a shame that Blount, one of the top teams in the state in any class, was the second round opponent.

CLASS 4A - The big Daleville-T.R. Miller matchup was all it was supposed to be as Daleville turned Miller back twice inside the 10-yardline in the final quarter to hold on and post the 20-9 win. The Warhaws must now realize that there are three rounds left to go, and not get caught celebrating. There are still some mighty good teams left.

CLASS 3A - Unbeaten West Blocton was thought to be an early round victim after its coach admitted that his team played an easy regular season schedule. Surprise! The Tigers stunned #1 Litchfield 14-12 last week and now have to be one of the favorites. Colbert County's 4-6 regular season record was laughed at, but the Indians are now 6-6, and all of the sudden everyone has forgotten their record, and is talking about the former 5A power being a team to watch.

CLASS 2A - Leroy ended Georgiana's hopes of a state title with a 13-12 win over the powerful Panthers, while Coach Donnie Rodgers and his Geneva County Bulldogs kept on rolling with a 14-0 win over Linden. Hazlewood is still the team to beat after its 27-6 win at Crossville, and the Bears will have to be the team that they are against the champs.

CLASS 1A - Billingsley kept on killing folks as the Bears murdered Verbena 57-8. The Bears are as good as you get in 1A, and are solid favorites to take the title. Courtland remained in the hunt with a 22-0 win over Addison, while Coffeeville and Frisco City set for a rematch after posting big wins.

Meet Southern Choctaw in 3rd round action

Elba Tigers prepare for Indian ambush

The Elba Tigers will jump out of the frying pan and into the fire this week in the third round of the Class 3A playoffs, when they host the Southern Choctaw Indians.

Southern Choctaw, coached by Randy Boggs, will carry a 10-game winning streak and an impressive 10-1 record into the matchup. The Indians lost their season-opener to (5A) Choctaw County 7-6, but since have posted wins over (5A) Hillcrest 29-0, (3A) Washington County 46-0, (3A) St. Paul's 14-7, (4A) Grand Bay 44-14, (4A) Thomasville 32-7, (2A) Linden 26-0, (2A) McIntosh 26-6, (3A) UMS 19-0, and playoff wins over Francis Marion 40-0 and Slocomb 26-6.

"We have played two very good football teams in the first two rounds of the playoffs," stated Elba's Coach Wood. "We know this week we'll face the best team we've faced yet in Southern Choctaw. They are extremely well coached, have excellent athletes, and also have both size and quickness. Southern Choctaw is one of the best teams we've faced all season."

"On offense they like to run the football out of a full-house backfield and have three good backs and a very good quarterback," added Wood. "They line up in an inverted wishbone, with the halfbacks in front of the middle back, and run misdirection, toss sweeps, and options. They also have a good passing attack and like to go deep, using their speed and the strong arm of their quarterback. Southern Choctaw has an excellent offensive football team and can score from anywhere on the field at any time. Over on defense, they keep a lot of people near the line and use their quickness and aggressiveness to get to the football. They blitz a lot and do a lot of different things out of all their defensive looks. Southern Choctaw has the athletes to be a solid defensive team and have just that."

"If we're going to have any shot at winning this week we'll have to get some folks well and play our best game of the season," Wood declared. "We'll have to play four quarters at full speed and not come out flat, or get complacent on any downs. We have a good football team when we play well, and when we don't, we get in trouble. The players have gone through two very physical games and have done what it took to win them both. This week, however, we are playing a team that can whip us in a hurry if we aren't ready mentally and physically."

"On offense," stated Wood, "we simply have to be balanced to keep Southern Choctaw from bringing everybody on their team up to the line of scrimmage. The line got whipped in the first quarter last week, and it will have to play its best game if we are to be effective either running or passing. The line will have to be physical and take the fight to Choctaw, instead of having the fight brought to them. We hope that Keith (Grantham) will be able to throw better this week after having some time to get used to the cast on his throwing arm, but his hand will still be broken and he will be limited as far as his being effective. Greg's (Thigpen) ankle didn't respond at all last week and he wasn't able to go. He will have to play this week, if nothing but to give Teddy (Burks) a breather, if the running game is to have a chance."

"Our defense will have to pick up

where it left off last week and try to control the speed and quickness of Southern Choctaw," Wood added. "The defense got knocked back on its heels last week, but battled back like champions and they'll have to play four solid quarters this week to even slow down their offense. We'll have to play strong on the corners, be physical in the middle and stop their option game if we are going to stop them."

Some years you get a couple of games early in the playoffs in which you can rest some people," said Coach Wood, "but this year our first line folks have had to give it all they had for all four quarters and that will be the same story this week. We'll just have to practice well, try and overcome the injuries, as well as the bumps and bruises that the entire team has. It won't get any easier down the line, so we'll just have to stick it up and keep playing like it's our last game, like it could very well be if we aren't ready!"

When asked about last week's 16-10 win over St. Paul's, Coach Wood

PLAYOFFS NO PARTY FOR PROGNOSTICATOR

Ye Ole Polish Prognosticator hit on only 16 of 21 picks last week, and when he came in the office Sunday afternoon he was griping about how hard it is to pick playoff games across the state. He never did quit griping, but he did leave this weeks picks, and now stands 329-64 for the year.

ELBA VS. SOUTHERN CHOCTAW

The Tigers may not have anything left after last week's dramatic win over St. Paul's, but they had better find something in a hurry, because the Indians are coming to town hunting Tiger and convinced that they'll find some in Elba. The Indians are good, and won't have any trouble finding a whole bunch of Tigers on the banks of the Pea River. However, taking home some fur may be a different story!

Tigers score late to sink St. Paul's 16-10

By Ricky Mularz, Sports Editor

The Elba Tigers spotted St. Paul's an early 10-0 lead then staged a dramatic comeback Friday night to

dump the Saints 16-10, in the second round of the 3A playoffs, in Mobile. The Tigers improved their record to 10-1 with the win, while St. Paul's ended its season with an 8-4 record.

Robert Wilbanks was the workhorse of the drive with 35 yards on four carries as the Saints marched to a first down at the Elba 21-yardline, but the Elba defense stiffened and on fourth down St. Paul's Jacob Cunningham booted a 29-yard field-goal to give the Saints a 3-0 lead with 29 left in the opening stanza.

Elba lost a fumble at its 47-yardline on its ensuing possession, and St. Paul's took advantage of the turnover as it needed only two plays to reach the endzone and take a 10-0 advantage.

The Saints score came on a screen pass from Michael Sanders to David Francia, and was highlighted by the running of Francia, who tipped the ball to the entire Tiger defense on the 44-yard touchdown toss and run. Cunningham added the extra-point and St. Paul's owned a surprising 10-0 lead with 10:22 still left in the first half.

Elba was down in a hurry, but not about to quit, and took the ensuing kick and marched 49 yards to a fourth down and four at the St. Paul's 13-yardline.

Teddy Burks gained 35 yards on 5 carries to spark the Tiger drive, which was climaxed with a 29-yard field-goal by Josh Caldwell that cut the St. Paul lead to 10-3 with 5:43 left in the half.

St. Paul's wasn't satisfied with its lead and went to the airways on its next possession in an attempt to get back in the endzone; however, the offensive strategy backfired for the Saints as Elba linebacker Kevin Bryan intercepted a Saints pass and returned it to the St. Paul's 25-yardline with 3:41 still left on the clock.

A 33-yard gain by Teddy Burks on a fourth down and one at the 16-yardline kept the Elba drive alive. The Saints couldn't take command against the St. Paul's defense and with the clock winding down faced a fourth down and two at the Saints' 40-yardline.

Jamie Brockton batted over the middle of the Saints defense on the fourth down play and barreled into the endzone for the Tiger touchdown!

Josh Caldwell kicked the extra-point and with 1:18 left in the half the Tigers had caught St. Paul at 10-10.

A failed on-sides kick attempt by St. Paul's gave Elba possession at the Tiger 10-yardline to open the second half and the Tigers quickly moved to a first down at the St. Paul's 36 behind the running of Perry Stinson and the passing of Keith Grantham. Elba reached the Saints 26-yardline, but lost a fumble on an option and the scoring chance went by the board.

Elba's Josh Caldwell (82) boots a 30-yard field-goal to put the Tigers on the scoreboard Friday night against St. Paul's. Caldwell scored the winning points in the final stanza on a 37-yard pass play to give Elba the 16-10 win.

Elba's Jamie Brockton (42) leaps away from a St. Paul's tackler during action Friday night. Brockton scored a touchdown in the closing seconds of the first half to pull the Tigers even at 10-10 against the Saints.

Brantley bogs down in Coffeeville 35-13

By Greg Branson, Sportswriter

The Brantley Bulldogs journeyed to Coffeeville Friday night in the second round of the AHSAA playoffs and the two teams battled up by Coffeeville and returned into each other and the weather conditions before Coffeeville pulled out a 35-13 win, in a game in which the score was no indication of how evenly the game was played.

Charles Layton gave Brantley the first turnover of the night late in the first quarter when he recovered a Panther fumble at the Bulldog 41-yardline. After one first down, Ashley Kilcrease dropped back to pass and hit Antonio Rogers behind the defense, who raced down the sidelines for a Bulldog touchdown.

The 45-yard touchdown play broke the scoreless deadlock and electrified the visitors, which saw the Brantley lead go to 7-0 with 11:06 left in the half on the extra point by Austin Cauley.

Brantley quarterback Ashley Kilcrease (12) looks for a receiver during action in Friday night's 35-13 loss to Coffeeville. The rainy weather kept Kilcrease from his usual high-powered passing attack in the playoff loss.

Brantley moved to their own 44-yardline on their next possession, but disaster struck for the Bulldogs when a pass by Kilcrease was ruled a lateral, and the ball was scooped up by Coffeeville and returned into the endzone.

A clipping penalty nullified the sudden score, but the Panthers overcame the penalty with a seven play drive that was climaxed with a two-yard run by Derek Gould. Deandra Sellers booted the extra-point and with 2:44 left in the half the score was tied at 7-7.

Brantley got the ball back at its own 46-yardline on the ensuing kickoff and quickly rode the passing arm of Ashley Kilcrease back into the endzone.

Andrew Kilcrease sneaked over broke the scoreless deadlock and electrified the visitors, which saw the Brantley lead go to 7-0 with 11:06 left in the half on the extra point by Austin Cauley.

Midway through the final stanza Kilcrease was hit while attempting to pass and fumbled. Coffeeville's Demetrius Robinson picked up the fumble and rambled 8 yards into the endzone for another Panther touchdown. Sellers hit the extra-point and with 6:27 left in the game Coffeeville's lead was up to 21-13.

The Panthers' Dwayne Tate intercepted a Kilcrease pass on Brantley's next possession and returned it to the Bulldog 8-yardline. Two plays later, Mark Sellers went 7 yards up the middle for the score, and Reginald Tate ran over with the two-point conversion, giving Coffeeville a 29-13 advantage with 4:52 left to play.

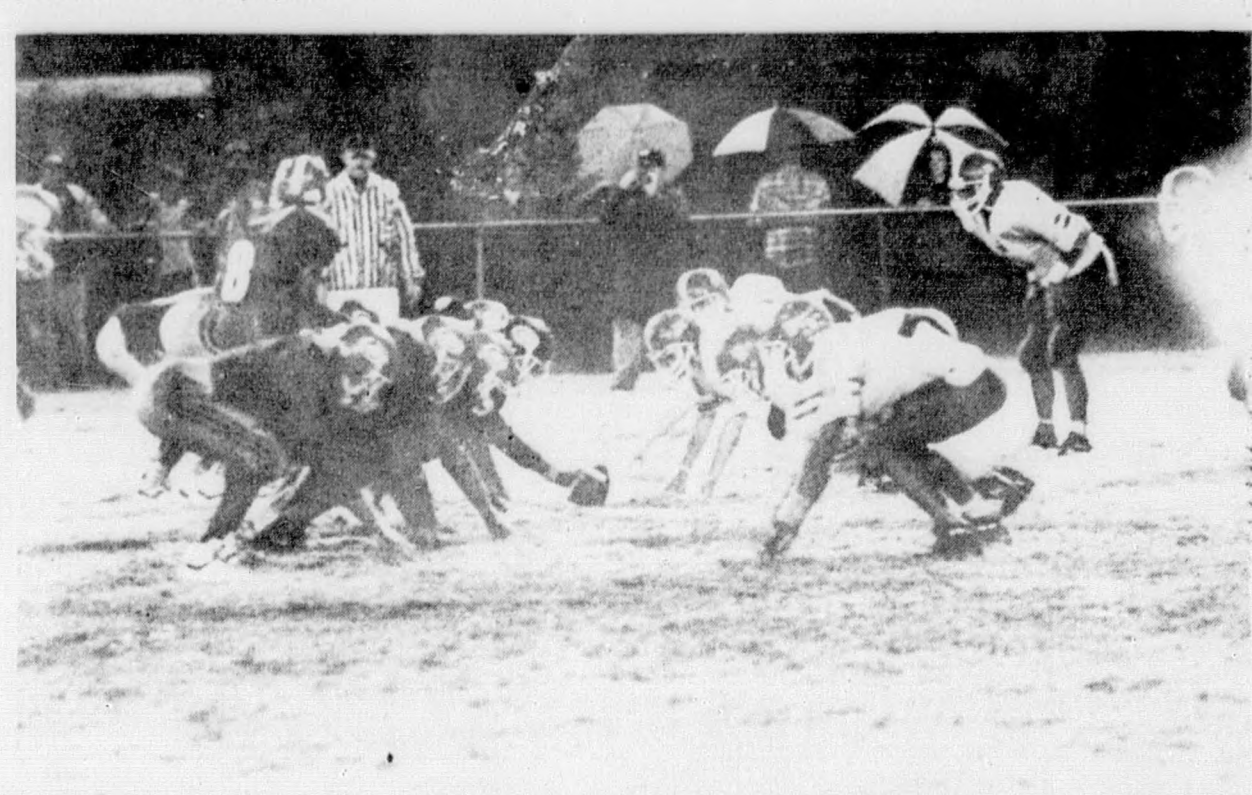

The Panthers scored once more before the end of the game when Derek Gould went two yards to cap a 10 yard, 3 play drive. A two-point try failed, but with 2:07 left in the game Coffeeville had the lead, and the win, 35-13.

Coffeeville's Derek Gould was the game's leading rusher with 82 yards on 21 carries, while Mark Sellers added 75 yards on 11 tries. The Bulldogs were paced by Tony Burnett with 40 yards on 13 totes.

Brantley's Tony Burnett (5) splashes his way to a big gain during action in Friday night's 35-13 loss to Coffeeville. The Bulldogs held the lead at halftime, but fell victim to turnovers in the second half and were eliminated from the 1A football playoffs.

The Brantley defense (in white) digs in the mud at Coffeeville during action last week in the Class 1A state playoffs. The Bulldogs saw their season end with a 35-13 loss to the Panthers, but finished the season with an outstanding 10-2 record.

Public Notice of Possible Impact to Important Land Resources

The US Department of Agriculture, Farmers Home Administration (FmHA) is considering an application sponsored by the South Crenshaw County Water Authority. The specific elements of this proposed action includes construction of approximately 144 miles of six (6) inch, and three (3) inch PVC water distribution mains to serve about 250 new customers in Coffee, Covington and Crenshaw Counties. It is also proposed to construct a 400 GPM water supply plant on an existing site in Section 14, T8N, R16E and a 300,000 gallon water storage tank on a 0.5 acre site in Section 19, T7N, R17E. The alternative well site will be the 0.5 acre water storage tank site.

If implemented, the proposed action would indirectly impact approximately 2500 acres of important farmland traversing along the proposed water distribution mains. Additionally, the proposed action would indirectly impact floodplain areas as follows:

CRENSHAW COUNTY

Creek Crossing/Sina Creek-Section 19, T6N, R17E (0.1 mile)
Creek Crossing/Gin House Creek-Section 13, T7N, R16E (0.1 mile)
Creek Crossing/Patsalga Creek-Sections 1 & 12, T7N, R16E (0.4 miles)
Creek Crossing/East Bradley Branch-Section 31, T8N R17E (0.1 mile)

COVINGTON CREEK CROSSING

Creek Crossing/Big Creek - Section 24, T6N, R16E (0.1 mile)
Creek Crossing/Sims Mill Creek-Section 23, T6N, R16E (0.1 mile)

COFFEE COUNTY

Creek Crossing/McCollough Branch-Section 30, T7N, R20E (0.1 mile)
Creek Crossing/Bluff & Stinking Creek-Section 19, T7N, R20E (0.7 mile)
Creek Crossing/Sweetwater Creek-Section 16, T7N, R20E (0.3 mile)

The purpose of this notice is to inform the public of this possible result and to request comments concerning (1) the impacts of the proposed location on important farmland and floodplain, (2) alternative sites or actions that would avoid these impacts and, (3) methods that could be used to reduce these impacts. As one possible mitigation measure, it is being considered to restrict service in the areas identified as important farmland and floodplain to existing residences and structures.

The proposed action is available for review at the following FmHA office: 474 South Court Street, Aronov Building, Montgomery, Alabama 36104. Any person interested in commenting on the proposed actions may do so by sending such comments within 30 days following the date of this publication to FmHA, at the above address.

STATE OF ALABAMA MORTGAGE FORECLOSURE NOTICE

WHEREAS, Billy H. Donaldson and wife, Linda P. Donaldson executed a First Federal Savings and Loan Association of the Wiregrass (now known as First Federal Bank), an Alabama Corporation on the 1st day of May, 1975, a mortgage upon the real estate hereinafter described to secure an indebtedness described herein, said mortgage being recorded in the Office of Judge of Probate, Elba, Coffee County, Alabama on May 2, 1975 in Mortgage Book 61-A, Page 395, et seq. Said mortgage was assigned by First Federal Bank to Farmers Savings Bank by assignment recorded in the Office of Judge of Probate, Elba, Coffee County, Alabama in Misc. Book 29, Page 599. Said mortgage was thereafter assigned by Farmers Savings Bank to Lomas & Nettleton Co. (now known as Lomas Mortgage USA) by assignment recorded in the Office of Judge of Probate Elba, Coffee County, Alabama in Misc. Book 32, Page 143.

WHEREAS, default has been made by the mortgagors in the payment of the indebtedness secured by said mortgage and/or in the performance of the terms of said mortgage, and said default continuing.

NOW THEREFORE, Lomas Mortgage USA, will sell, under and by virtue of the power of sale contained in said mortgage between the legal hours of sale on December 11, 1992 at public auction, to the highest bidder, at the front door of the Coffee County Courthouse, in the City of Elba, Alabama, the real estate embraced in said mortgage described as follows:

That certain property known as W. A. Prescott house and lot, and occupied by W. A. Prescott during his lifetime, and being the same property described in Deed Book D-2, at Page 92, in the Office of Judge of Probate of Coffee County, Alabama, at Elba, as follows: Beginning at the Northeast corner of J. O. Wise residence lot running North 82 feet, thence West 200 feet, thence South 82 feet to J. O. Wise residence lot, thence East along the North line of J. O. Wise's lot 200 feet to starting point, further described as follows: The lot just North of J. O. Wise's residence lot, fronting 82 feet on Delta or Cordelia Street running back West 200 feet to that even width in the town of Elba, Alabama, less small strip given by Dr. W. P. Boyd in his lifetime to Dr. R. R. Bradley in his lifetime, and adjoining same parcel of land conveyed by Malcolm Prescott and wife, Maxine Prescott, to J. B. Harper and wife, Gloria H. Harper, by Warranty Deed dated 13 August 1963, recorded in Deed Book 39-A at Pages 95-96, in the Probate Office at Elba, Alabama.

Said same property is more particularly described by a survey prepared by Jerry E. Smith, Registered Land Surveyor No. 9967 on 23 April, 1975, as follows: a lot or parcel of land located in the Town of Elba, Coffee County, Alabama and being more particularly described as follows: Commencing at a point where the back of the side walk on the South side of Davis Street intersects the back of the side walk on the west side of Cordelia Avenue, thence S 2 degrees 24'E along the back of the side walk on the West side of Cordelia Avenue 183.8 feet to the Point of Beginning, thence continue along the back of the side walk on the West side of said Avenue S 2 degrees 24'E 82 feet to a point, thence S 88 degrees 05'W 200.56 feet to a point, thence N 3 degrees 19'E 64.79 feet to a point, thence N 86 degrees 31'E 35.14 feet to a point, thence N 1 degree 37'W 11.69 feet to a point, thence N 63 degrees 52'E 54.96 feet to a point, thence N 87 degrees 48'E 111.48 feet to the Point of Beginning. Together with all improvements situated thereon.

NOTE: Said sale and any conveyances made in consummation thereof, will be subject to any existing Federal tax liens, if any, and/or special assessments, if any, which might adversely affect title to the subject property.

Said sale will be made for the purpose of realizing the mortgage debt, together with all expenses of said sale, including a reasonable attorney's fee.

This 4th day of November, 1992

You should see
how much you're missing.

The holidays should be a time of joy; however if you suffer from cataracts this may be the season when you suffer most. Because you miss out on the most, such as taking a drive to visit family or friends, seeing the decorations on your neighbor's house, or helping your grandchild trim the tree.

At Southern Eye Institute, our physicians are experienced cataract and lens implant surgeons.

Today, cataract surgery is quick and pleasant, with virtually no discomfort. You return home the same day. The vast majority of our patients enjoy greatly improved vision immediately after cataract surgery, and regain the independence that allows them to enjoy themselves and their families.

Let Southern Eye Institute help you see all that you've been missing. Please call us for more information at 793-1581 or 1-800-547-8799.

Dr. Martin E. Margolies and the Southern Eye Institute staff wish you the best for the holidays.

Polish the candlesticks and bring out Grandmother's soup tureen...a centerpiece befitting this lovely dining room. The starburst pedestal table gleams with its oiled oak finish. Matching double pressback chairs have thick seats and the many-spindled backs are embossed with a lovely design. This beautiful hutch and buffet compliment this grouping. The lighted hutch has thick glass doors with the frosted and leaded look so popular years ago. The buffet has two doors and two deep storage drawers with ceramic pulls.

B^{fine furniture} Barrows Club

What is Barrow's Fine Furniture Club?

- A Network of Showroom/Warehouse Stores open to the general public and club members.
- A fine furniture store offering a vast selection of brand name Home Furnishings and Office Furniture.

Are you beginning
to feel as worn-out
as your old
mattress?

Getting a new mattress may not be as extravagant as you might think.

We don't mean to get personal, but how long have you been sleeping with your mattress? O.K. so it's not something you think about a lot. But really, how long? 10 years? 12 years? Longer? It's a fact, mattresses do wear out. They get lumpy and bumpy. They sag a bit here and there. They're not as much fun to sleep with as they once were. A comfortable bed isn't a luxury, it's a necessity, for good health and restful sleep. And now the time to buy one.
